

UKTV errors and omissions insurance guidelines

- 1.** The policy will provide errors and omissions insurance on a worldwide basis for a period of three years under a 'clams made' basis
- 2.** The limit per claim will be £1million, the policy claim deductible will be £10,000 and the policy claim aggregate limit will be £3million. These limits may be altered, subject to the agreement of the insurer upon request, which may affect the premium.
- 3.** This policy will not insure feature films.
- 4.** This policy will not insure investigative or expose productions. The definition of investigative or expose content is any work, publication or content that breaches a person's right to privacy, one that reveals facts of a discreditable nature about individuals or entities not already in the public domain or publications about living people that hold them up to ridicule or accuses or infers they are dishonest, illegal, criminal or immoral.
- 5.** This policy will not insure productions containing a new game show format
- 6.** Title clearance: USA and Canada. Title insurance is not insured in the USA unless a Title report for the US territory has been obtained and submitted to **Matthew Torrible** at Quartz Insurance Brokers Limited, who will ask the insurer to review the report and extend the Title insurance to include the USA.
- 7.** Rights. Please ensure that all necessary rights required to broadcast the production are cleared prior to the broadcast. If rights are not cleared or there are any issues arising, please refer the matter to **Matthew Torrible** at Quartz Insurance Brokers Limited prior to broadcast.
- 8.** Claims. Please notify **Matthew Torrible** at Quartz Insurance Brokers Limited about any potential claims as soon as they become known to you. Failure to do so may put your cover at risk.
- 9.** General Queries. Please contact **Matthew Torrible** at Quartz Insurance Brokers Limited with any queries you may have concerning the Errors and Omissions insurance policy. Matthew will be happy to assist you.
